PUBLIC AND U.S. EPA REVIEW:

On May 28, 2004, the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in *The Lexington Herald-Leader* in Lexington, Kentucky. The public comment period expired 30 days from the date of publication.

Comment received

Comments were received from Toyota Motor Manufacturing Kentucky Inc. on June 14, 2004, Scott Miller of U.S. EPA, Region 4 on June 25, 2004 and from Mike Toncray of the Kentucky Division for Air Quality on June 28, 2004. Attachment A to this document is the comments received and Attachment B is the Division's response to each comment. Minor changes were made to the permit as a result of the comments received, however, in no case were any emissions standards, or any monitoring, recordkeeping or reporting requirements relaxed. Please see the Statement of Basis, "Changes to the Draft Permit" for a detailed explanation of the changes made to the permit. The U.S. EPA has 45 days to comment on this proposed permit.
